### **A+ SCHOOLS PROGRAM STUDENT CHECKLIST**

A student and his/her parents/guardians will be responsible for checking the following criteria that might prevent an A+ participant from being eligible for financial tuition incentives after graduation from Delta C-7 High School:

1. Do I have a Grade Point Average of 2.5 or better? \_\_\_\_\_  
(This should be checked at each grade reporting time. The requirement is 2.5 on a 4.0 scale, which is a C+ overall average prior to graduation.)
2. Is my attendance a 95% average? \_\_\_\_\_  
(You can check your attendance anytime to find out the number of days missed through STI or ask the A+ Coordinator to verify. Remember 95% must be maintained as an average for all years prior to graduation.)
3. Am I a good citizen? \_\_\_\_\_  
(This can be checked by speaking with the A+ Coordinator.)
4. Have I made a good faith effort to secure all available federal post-secondary financial assistance funds?  
\_\_\_\_\_  
(A student does not have to qualify, but must show documentation of filing a Federal State Aid Form (FAFSA) located on line. A+ Coordinator can verify. This is usually completed at the very beginning of the second semester of the senior year as soon as income tax information is available (January). You and your parents/guardians should plan to attend the Senior Financial Aid Workshop conducted at DHS during the month of February.
5. Have I completed my requirement of 50 hours of tutoring? \_\_\_\_\_  
(This can be accomplished anytime during the four years that you attend Delta C-7 but must be on the Delta C-7 campus under the direct teacher supervision, unless other arrangements are made with the A+ coordinator according to the A+ program guidelines. 25% may be job shadowing set up through the Counselor's office.
6. Have I attended Delta C-7 or transferred from another A+ high school for three consecutive years? \_\_\_\_\_  
(This can be confirmed with the Counselor/A+ Coordinator)
7. If 18 years old (male), have I registered with Selective Service? \_\_\_\_\_  
(This can be confirmed online at the Selective Service website or check with the Counselor/A+ Coordinator for assistance.)

8. Have I achieved a score of Proficient or Advanced on Algebra I EOC? \_\_\_\_\_  
(This can be confirmed with the Counselor/A+ Coordinator)
