

Delta C-7 Public Schools

*Office of the Superintendent
P.O. Box 297
20 Charger Lane
Deering, Missouri 63840*

January 15, 2013

Dear Parents and/or Guardians:

I would like to take this opportunity to inform you about new safety precautions at our school that will become effective Wednesday, January 16, 2013. We will be implementing a limited access campus; this means all doors on the campus will be locked at 8:05 a.m. If you or your child arrives after this time, someone will have to let you into the building.

In the elementary building, you will need to call when you are in the parking lot or knock on the door so someone can let you in.

At the high school, if a parent or student arrives after 8:05 a.m., the only door you will be allowed to enter in will be the door to the superintendent's office.

**ALL VISITORS MUST REPORT TO THE APPROPRIATE SCHOOL OFFICE
(ELEMENTARY OR HIGH SCHOOL).**

I know this is an inconvenience for you, but I am sure you understand that we are doing this to keep your children and our staff safe. There are more safety precautions that we are working on at this time, and we will notify you when they are implemented.

Respectfully,

Kenny Copley
Superintendent

Kenny Copley
Superintendent
